

APRIL/RECITAL 2024 NEWSLETTER

Recital Week is only **SIX** weeks away! **Class attendance is extremely important at this time of year.** This newsletter has information about who will be dancing in each show, ticket information, dress rehearsal schedule, and rehearsal and recital attire, photos and videos.

Parents, please, make sure that dancers are practicing their choreography at home. Pre-Dance, PreK, Kinder, 6-8 years, 2-4 Grade and Advanced 2 classes all have rehearsal videos of the dances posted in the Parent DSP Portal. These videos are linked to a private YouTube site. Advanced 3, Junior and Senior dancers have videos on their GroupMe pages.

If your dancer must miss class, please be sure that they make up their lesson. A class schedule can be found on pulaskipac.com. Any child missing more than TWO lessons (that are not made up in other classes) between now and recital will not be allowed to participate in the show. Pointe dancers must wear pointe shoes in class to participate in pointe dances.

All class fees and any money for shoes/tights or costumes must be paid by dress rehearsal in order for students to participate in recital.

Attached is a form for each family to return with the number of tickets that they will need for the recital. Maximum of 8 per family until everyone gets their tickets and then we can give more if available. These are \$10.00 each. Please return this form and pay for tickets by MAY 15th. Tickets will be distributed the week of May 20th. Tickets may be purchased with cash, check or DSP. Please do not use PayPal or Venmo. You may also email the form to me at pulaskipac@gmail.com

A video will be made of the recital. Only downloads are available. An order form is available. Annabelle Koger will be doing recital pictures. If you would like to schedule a costume picture appointment, please text Annabelle (931)309-6717.

The last day to order tights and shoes is May 1st. Be sure to order tights from PPAC so that the dancers are all uniform in tight color.

PPAC dancers are working very hard and I appreciate all of their dedication to their classes and shows. Please feel free to contact me with questions. (931)309-7230.
