

I give my child _____
my permission to participate in dance class with the understanding that a six foot social distance will not be possible during dance class. I do this with the understanding that Governor Lee's guidance for COVID19 has suggested that a 6 feet difference should be kept between people to allow for social distancing. I also understand that Governor Lee's mandates do not make it mandatory for masks to be worn at fitness centers and gyms (PPAC being a fitness center). I relieve Sandy Slayton-Mavrotheris, her heirs, Pulaski Performing Arts Center, Pulaski Performing Arts Center teachers and students and any venue that is used for classes and performances from any responsibility should my child come in contact with the Coronavirus during classes, rehearsals, or performances.
